Thursday 25th June (No.36)

A message from Miss Fisher

Wow! What an absolutely sweltering week we have had!

First of all, I want to say a very big well done to Oak class who have survived their Braeside adventure in temperatures that kept rising. Safety was paramount; therefore, some changes had to be made to their activity timetable. I know that the high ropes, canoeing and the Leap of Faith were firm favourites, and many children pushed themselves out of their comfort zone. I also know that they were all very pleased to be reunited with their families and to go home for a cool shower! Many thanks to Miss Hallam, Mr Clayton and Mr Marshall who made the trip a success.

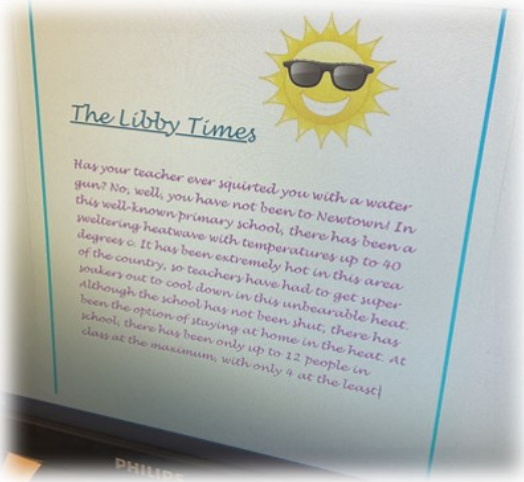

Here in school, we have been having lots of fun with the children who attended. We have definitely made use of our two air-conditioned rooms, multiple ice pops and also Miss Fisher's super soakers! In KS1, we have learnt about water safety and the 'float to live' RNLI advice and some KS2 children have even been writing news reports about the 'Great Heatwave at Newtown!' Your children have been absolutely fantastic this week and we want to thank every single one of you for being patient and supporting us with the decisions we have made to keep the children and staff safe.

Please continue to stay cool, hydrated and safe when near water.

Safeguarding

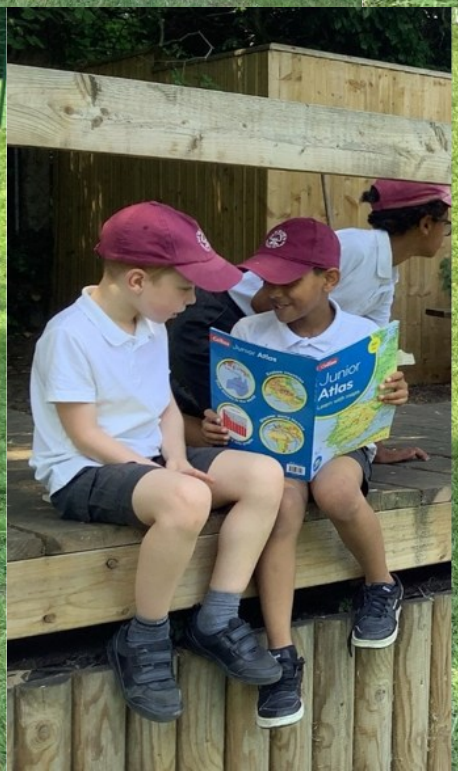

Sun Safety Superstars!

All of the children at Newtown have been incredible this week at keeping themselves safe in the extremely hot weather we have had. The children all know the importance of applying suncream, drinking plenty of water and staying in the shade when the weather is hot and sunny and they have certainly made the most of the shade from our beautiful trees which have allowed us to go outside, but safely.

NEWTOWN PRIMARY SCHOOL

Join us at our Summer Fayre

Thursday 9th July

Straight after School

Bouncy Castle*
