A message from Mrs Titchener & Mrs Bieda in Sycamore Class

Sycamore class have made an exciting start to their new topic of the Victorians. The children had great fun exploring a range of Victorian artefacts and asking questions to help discover what life was like during this fascinating period of history.

As part of their learning, the class also found out about Queen Victoria. They carefully drew portraits of her and used watercolours to enhance their artwork. Around their portraits, the children displayed facts about Queen Victoria's life, creating a beautiful and informative display.

Sycamore class were particularly fascinated to learn that Queen Victoria had nine children! We are looking forward to finding out even more about the Victorians as our topic continues.
