Thursday 14th May (No.31)

A message from Mrs Potter in Willow Class

This week, Willow class have said goodbye to our class butterflies. Over the last 5 weeks we have watched our caterpillars grow, turn into chrysalis and eventually turn into beautiful butterflies. This week we released 6 of the butterflies in our outdoor area so that the life cycle can continue and our butterflies can go away and lay their own eggs. The children have loved watching the caterpillars and butterflies change and grow; it has inspired the children's artwork, creations and writing. Take a look at some of our wonderful work!

Safeguarding

Avoiding inappropriate content Online

Sometimes, innocent searches can lead to not so innocent results. And sometimes, children may look for things because they're curious.

It's important to know how to reassure young people and help them know what to do and where to go for support if they see inappropriate content online.

If your child has seen inappropriate content online, you can:

- talk with them about what they've seen – let them know what is, and isn't, appropriate for their age.
- they may have questions about what they've seen – you can get support for yourself by contacting the NSPCC helpline to support you with tackling difficult conversations.
- find out how they came across the content so that you can minimise the risk in future e.g. by blocking certain sites and setting up parental controls or educating your child about following links.
- reassure them they can come to you, another trusted adult or Childline if they're worried about something.
- get advice on setting up parental controls and make sure you review them regularly to ensure they are right for your family.

NSPCC helpline: 0808 800 5000

You can find more information here: Inappropriate or explicit content | NSPCC

Inappropriate viewing

It is also important that children are watching age-appropriate television programmes and films. We are aware that this isn't currently always the case, with some of our children sharing they are watching programmes such as Stranger Things, which is not recommended for children

Glitter Bugs Nursery

Glitter Bugs have spaces available from this September.

To make enquiries, please contact them on 07519 908747.
