Friday 8th May (No.30)

A message from Miss Fisher

I hope that you all enjoyed the bank holiday weekend. It was lovely to see all the children back at school on Tuesday morning ready to learn. This term is our art themed term, and your children may have already told you about the artist that they are studying. Across a school year, our curriculum is designed to ensure that children learn about 6 different art movements from different periods of time. It allows children to gain a deeper understanding of how the world can influence the art that is created and make connections between them. They learn about Renaissance artists such as Leonardo Da Vinci; Impressionists like Claude Monet; Post-Impressionists include Paul Signac and Henri Rousseau; Warhol and Goldsworthy during the Pop art and Land art movement; Wassily Kandinsky and Alberto Giacometti (expressionism/ surrealism) and modern artists such as Barbara Hepworth and Bridget Riley. In term 5, each class takes an artist and learns about them in depth. They then have the opportunity to try that style of art and create their very own masterpiece! It is an amazing term full of creativity and exploration. Take a look at some of the things that have been happening in class:

Safeguarding

Working in partnership with Wiltshire Council

Family Hub
Wiltshire Council

All Together
Supporting families in Wiltshire

Spurgeons

Triple P - Family Transitions

This 5 week course addresses specific areas around separation and divorce and for parents/carers who need support around managing the transition of separation and divorce.
