Message from Miss Fisher

Wow, didn't Oak class have a blast last week! I was lucky enough to take Oak class to Braeside on Wednesday and really enjoyed seeing them outside the classroom enjoying nature and challenging themselves. All children set themselves goals and were keen to push themselves out of their comfort zone. Every year, it is always interesting to see the many hidden talents amongst the children, and we definitely have some natural climbers amongst us this year! Mr Marshall said that this year's group of children showed the best survival skills ever and the teamwork was phenomenal. Well done to Juanita, who won the glider challenge! I think we may need to work a little more on our shelter building skills as when the storms hit (Miss Fisher's water bottle) they did get a little wet!

I went away extremely proud of the children, who as always, showed such lovely kindness towards each other. During the nightline, children worked so hard to guide their blindfolded partner around the course – Miss Giddings was very proud of their communication skills. Despite being extremely tired and a bit smelly, the children returned home on Friday with smiles on their faces and lifelong memories. Well done Oak class, you are awesome!

Victorian Day
Sycamore Class

In Sycamore class we have been learning all about the Victorians as part of our History learning. We had a Victorian day where the children got to experience all sorts of things related to the Victorian times. The children dressed up in Victorian style clothing (and I must say their costumes looked amazing!). They got to experience some Victorian food - we made gruel and got to taste some Victoria sponge cake. The children also found out what Victorian schools were like by writing out their letters using chalk and slate boards, as well as learning about school punishments! The children loved getting to play with some Victorian toys too. We had a fantastic day and came to the conclusion that schools now are definitely much better than in the Victorian times!

Safeguarding

Be sun safe!

With this very warm weather set to continue into next week, it is important we remind ourselves of how to stay safe in the sun.

It is vital that your child wears sun cream to school each day to protect them when outside, as although we have lots of shady areas, it is inevitable that your child will also be in the sun at some points. You may also send sun cream into school for them to reapply at lunchtime if you wish, however we ask they apply it at home in the mornings first. Please make sure any sun cream coming into school is labelled with your child's name.

At school each child has a school sun hat they wear each day during the summer, and we are reminding children to drink lots of water too.

At home, please help your child to stay safe in the sun too by following the rules below.
