Message from Miss Hough in Beech Class

Beech Class have had an amazing start to term 6. Recently, we have been working hard to create front covers for our history books. We have thought carefully about illuminated letters, which were produced in medieval times and embellished with gold and silver. Alongside this we have used Viking symbols to add detail to our art and painted them using watercolours.

The children worked so carefully to design their illuminated letter, which contains the Viking rune for their first name, and fit the symbols around their artwork. Here are some incredible examples.

Safeguarding

At Newtown Primary School, we are committed to supporting the emotional health and wellbeing of all our pupils, parents, and staff. We understand that everyone experiences challenges in life that can make us vulnerable and that anyone may need additional support in some way at some point in their lives. We believe that spotting any signs of stress in a child's emotion health and wellbeing is vital in being able to support them through any times of trouble and to try and stop things getting worse if possible.
If you are worried about your child's or your own mental health, there is some excellent advice and support on the NHS website. This covers hints and tips to help parents with children displaying anxiety, anger, depression, or suffering a bereavement. Of course, if you feel there is something we need to know about your child's wellbeing please let us know so we can see how we can help too.
