Thursday 15th May (No. 31)

Message from Miss Pountney in Sycamore Class

This term in art Sycamore have been learning about the Russian abstract artist Wassily Kandinsky. Abstract art is a style of art that uses shapes, colours, and lines to show unrealistic pictures. We have been exploring lots of different pieces of art by Kandinsky and the children have been amazing at noticing different things in the artwork, as well as expressing their opinions. We were inspired by Kandinsky's painting concentric circles. This painting has circles within circles and uses lots of bright bold colours. We are creating concentric circle clay plates and we will be painting them with lots of bright colours, just like Kandinsky did in his painting.

Safeguarding

Be sun safe!

With the beautiful sun now shining it is important we remind ourselves of how to stay safe in the sun.

It is vital that your child wears sun cream to school each day as they will be outside for both breaktime and lunchtime and although we have lots of shady areas, it is inevitable that your child will also be in the sun at some points. You may also send sun cream into school for them to reapply at lunchtime if you wish, however we ask they apply it at home in the mornings first. Please make sure any sun cream coming into school is labelled with your child's name.

At school each child has a school sun hat they wear each day during the summer, and we are reminding children to drink lots of water too.

At home, please help your child to stay safe in the sun too by following the rules below.

Join us for another week of fun, friendship and finding out more about Jesus, at our annual church holiday club, for Primary school aged children.
