Friday 4th April (No. 27)

Message from Mr Marshall

It never fails to surprise me how rapidly a school year passes – it is hard to believe that we are already at the end of the spring term. We have been blessed with the weather, and the children have really appreciated being able to use the field area and Wildwood space over the last few days.

I would like to say a huge thank you to those of you who were able to make the spring singing performance yesterday - we filled every seat! The children loved having an audience to show off to, and I know you will have appreciated the children's skills and song choices. Sam, our singing tutor, has done a marvellous job bringing the Newtown choir together and developing these talented singers over the last couple of years. She has also ensured that children of all ages within school receive high quality singing teaching every week.

Those of you who were able to attend yesterday would have seen some great behaviour on show. Yesterday morning we also had the opportunity to celebrate the fantastic attitudes, kindness and behaviour shown by a number of children over the last term through our Headteacher Commendation awards. Our nominations are always kept top secret -more so than the Oscars! We have to keep them hidden in a variety of locations around the world… this term the nominations came from the Amazon rainforest, delivered by two intrepid explorers from Willow Class - Juniper and Harper.

Our winners for the Spring Term Headteacher Commendation awards were:

- Oak - Molly
- Cedar - Tori
- Beech - Libby
- Chestnut - Kelisha
- Maple - Martha
- Sycamore - Tawana
- Willow - Inaya

It was a lovely way to end the term. I wish you a safe and happy Easter break and look forward to seeing you all again in the summer term.

Headteacher's Commendation winners enjoying their prize at Waterstones.

Safeguarding

School holidays can become expensive if you are out and about and it's time to eat! Below is a list of places where children can eat for free or for just £1.00 during the Easter holidays. Some require you to download an app first.

Supporting Maths learning at home

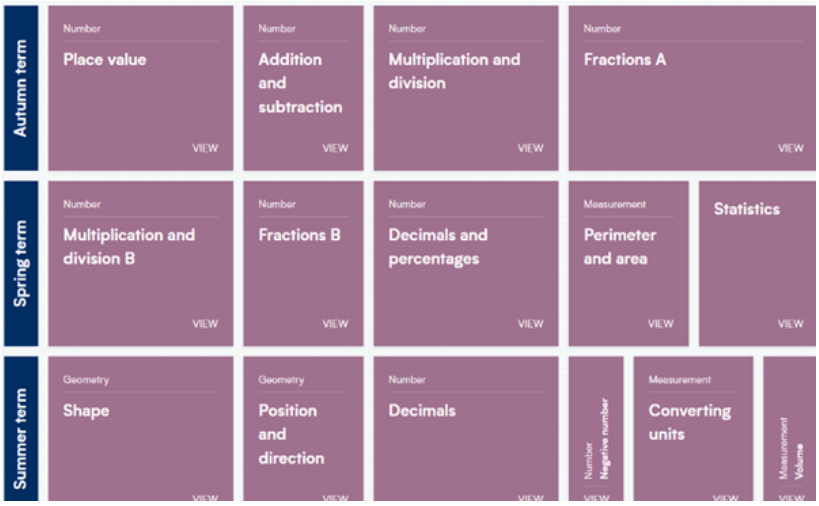

During Parent's Evenings this week, many of you asked how you can support your child with their Maths learning. One way of doing this is by accessing the White Rose website used in school during the teaching of maths.

The website offers a video for every lesson taught in every year group. They can be accessed using the instructions below. These videos will give you a clear idea of how maths is being taught and the methods and vocabulary used.

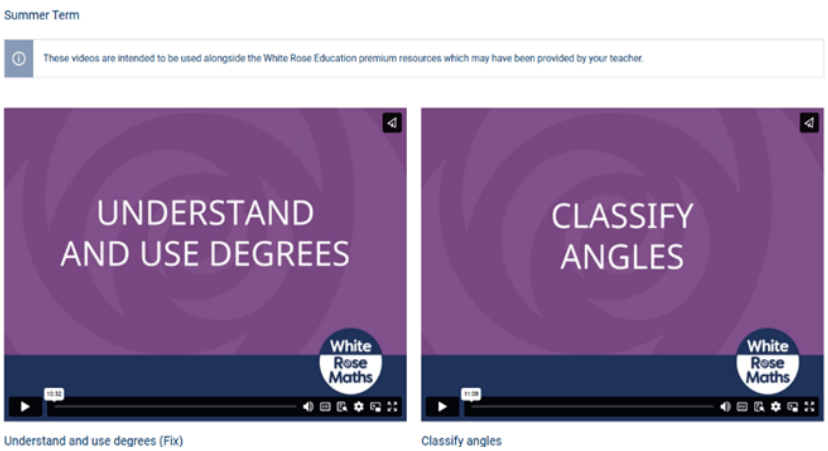

- Visit https://whiteroseeducation.com/
- Select the Parents and pupils tab and click on Home Learning.
- Select the appropriate year group for your child from the drop-down list, then click filter.

Select the unit of work from the choices given (Summer term starts after Easter).

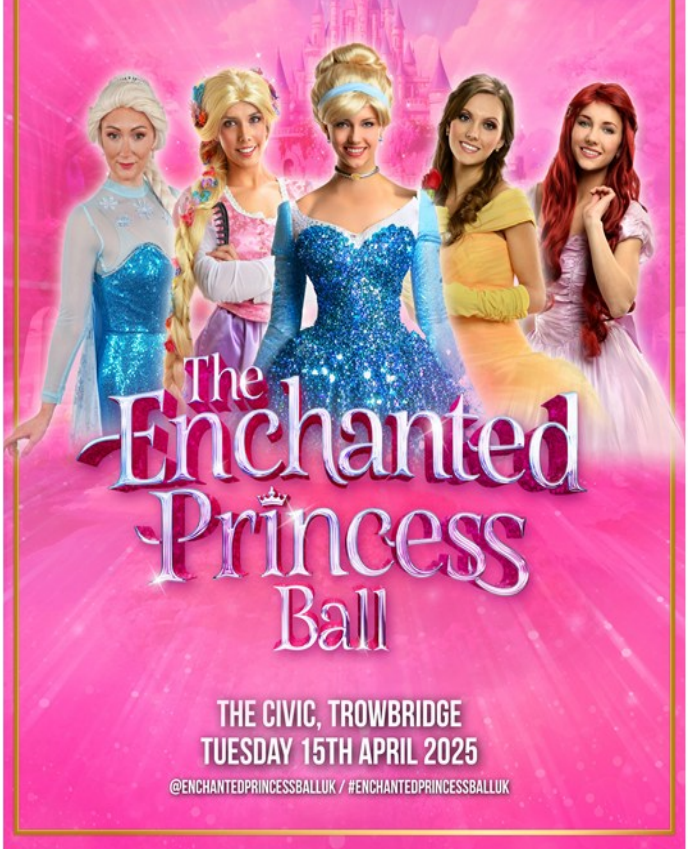

Then choose the learning objective from the choices shown.

Please don't hesitate to ask your child's class teacher if you have any questions.

YOU'RE INVITED TO THE MOST MAGICAL PRINCESS BALL OF THEM ALL!

The Enchanted Princess Ball

THE CIVIC, TROWBRIDGE

Thursday - Archery Club - Years 3,4,5 & 6

Book on Scopay in the usual way.

Be tick aware!

UK Health Security Agency

Tick Awareness

As the warmer weather encourages more of us to be out and about enjoying the great outdoors, the UK Health Security Agency are encouraging we are 'tick aware'. This includes knowing where ticks are found, how to reduce the risk of being bitten and how to remove them safely and quickly as some tick bites can result in infections such as Lyme disease.
