Thursday 20th March (No. 25)

Message from Miss Hallam

Maple class have had an exciting couple of weeks. We have enjoyed learning about Australia and The Arctic Circle in our geography topic, including using atlases. We have also enjoyed being outside for PE to enjoy some of the beautiful sunshine we have been having.

Alongside this, on Monday 10th March, we led an assembly with the school where we shared our learning of Makaton in relation to World Wildlife Day. The children were fantastic at singing the song 'Down in the Jungle' with the signs. We taught everyone else signs for the animals: giraffe, snake, elephant and monkey. Why not ask your child if they can remember any of them?

This term we have also been busy learning about animals including humans in our science topic. We have enjoyed learning the names of baby animals and how these are different to the adult names. Lots of us loved to hear that a baby echidna (an Australian animal) was called a puggle!

We are looking forward to spending a day baking with Willow class on 24th March and for our family shared reading session at 2.30pm on 25th March.

I look forward to sharing more with you soon.
