Message from Mr Marshall

So here it is! The last Newsletter message of the school year - incredible how time flies. I shared our goodbyes to the amazing year six children of Oak Class last week, but also I want to share today a photograph with you of them all resplendent and full of pride in their leavers' hoodies. A huge thank must go to the FONS organisation who arranged for the purchase of such lovely gifts for the children. We wish all members Oak Class well. They will be awesome wherever they go. They will take with them great memories, lasting friendships and exceptional behaviour. Their new teachers in secondary will be lucky to have them.

You will all no doubt know that we are the school with no rules! But you will also know we focus our behaviour development and learning around Kindness and Respect. This is what makes a difference in our school. It is why I love coming to work. One of the ways we promote Kindness and Respect is through spotting and celebrating acts of kindness from the children. We display these AOKs on our Kindness Tree. Last year we had 96 acts of kindness, which was good. However, this year we have surpassed all of our previous records and have achieved over 150 acts of kindness. Awesome stuff!

On that wonderful note, I will sign off on another brilliant year at Newtown. Have a wonderful break, stay safe and we will look forward to welcoming you back on Tuesday September 3rd.

Thank you FONS!

Superstars!

Cameron, Reece, Ola, Harrison, Rae, Jessica & Clara

Dates for Diary

2nd September	INSET day - school closed to children
3rd September	First day of term
