Wednesday 3rd July (No. 36)

Message from Miss Fisher

At Newtown, we love to ensure that children receive the best possible learning experiences. This includes as many outdoor and creative lessons as possible to make the learning memorable for the children. This week, I was lucky enough to walk into Ash and Chestnut's teeth making lesson! Miss Hough led an excellent demonstration which enabled all the children to create fabulous looking models. The children have been learning all about teeth in science lessons: from the names of each tooth to decay and what causes/ prevents it. It was so lovely to see them working so sensibly together and actually creating what looked like rather great dentures! The children worked hard to make sure they correctly formed incisors, canines, pre-molars, molars and wisdom teeth on their models and are looking forward to painting them next week. More pictures to follow!

In other news, EYFS have been exploring our locality by visiting Bradford on Avon. This term, the children have been learning all about transport and how to travel in different ways. The really enjoyed their little trip on the canal boat and spotting the wildlife.

Safeguarding

Keeping safe on the roads

Last week our year sixes attended Junior Good Citizen and learnt about how to be safe out and about in the community. This included learning about road safety and braking distances. It is important to understand how long it can take a driver to stop their car in an emergency so that accidents can be avoided.

Being safe on the roads is so important and is a skill that can easily be forgotten as children begin to be more independent and walk to school by themselves. Please spend 5 minutes talking through road safety rules at home, including talking about using crossings where you can, not stepping out from between parked cars, being focused (not on phones/listening to music) whilst crossing/walking across roads and of course always dismounting your bike or scooter.

Newtown gets very busy in the mornings and at times drivers do not always park in the best way. There are often parents who mount the pavement when dropping off their children and this can make it very tricky for parents and children to walk past safely. Please consider your parking and make sure there is always enough room for buggies to get past using the pavement.

Wraparound Care

From September, we will be offering the following wraround childcare:

- **7.45am to 8.30am**
- **3.15pm to 5.15pm**

More details on how to book and make payment will follow in the next couple of weeks.

Join us at the Summer Fayre

Wednesday 10th July straight after school

And lots more ....

FONS NEED YOUR HELP!

We are looking for good quality used toys and teddies to be donated for use at our Summer Fayre. Anything you would like to donate, please drop off to the school office or pass onto a FONS member on the playground!

Cleaner vacancy

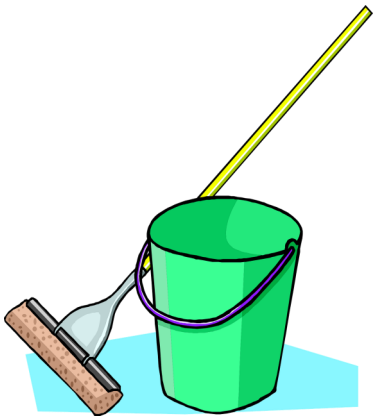

We are seeking to appoint an enthusiastic and motivated cleaner to join our school cleaning team reporting to our Cleaner in Charge. Duties will include all aspects of cleaning within a school such as sweeping, mopping, dusting, cleaning of toilets and ensuring hygiene standards are met.

5 hours per week @ £11.59 per hour (41 weeks per year plus holiday pay).
You will be required to work 39 weeks during the school term and 2 weeks during the summer holidays.

Our cleaning team comes into school from 3.15pm to 6pm daily during term time. The hour a day can be worked across this time.

The successful candidate will have to demonstrate that they will be able to:

- Work as part of a committed team
- Maintain confidentiality in line with school policy
- Be enthusiastic and dedicated with a high level of accuracy and attention to detail.

Hours of work: 5 hours per week; 1 hour a day to be worked between 3.15-6pm

Contract type: Fixed term until 31st August 2025

Closing date (and time): 12th July 2024

Interview date: TBC

Commencement date: 1st September 2024

Further details and application form available on our website.
