Wednesday 1st May (No. 28)

A message from Mr Marshall

Each week we start our assemblies with a different piece of music. This gives the children the opportunity to think about a range of music, how it is written and performed and the role it plays in our lives. Recently we listened to a song called 'Free Treasure', which is by contemporary folk singer Adrianne Lenker. With the children we talked about the idea of Free Treasure and what this might be - something we value dearly, but that does not cost a penny. The children's responses were brilliant. Oscar from Chestnut said that Free Treasure could be kindness, Liv from Cedar said it could be memories, and Libby from Ash said it could be our friends and family. Wonderful responses I am sure you will agree.

A message from Mrs Potter

This week the children in Willow, Sycamore and Maple class have been out and about showing off their geography fieldwork skills. On Tuesday 30th April the children went on a trail around Trowbridge town on the hunt for our school teddy, Newtown Norman. Each group of children had a series of photographs from his after-school adventures and a map of our town centre with areas Norman had visited marked on the map. The children had to use their maps to navigate around town and identify the key landmarks that Norman had visited. We were lucky enough to have beautiful weather for our trip which meant we were able to have a lovely picnic all together before having a play in the park. As always, the behaviour of the children was outstanding and was noticed by many members of the public around town. We are very lucky to have such amazing children that are a real credit to our school and our community.

PE at Newtown

We have been lucky to have been working with the Chance to Shine organisation recently. Chance to Shine provides cricket coaching for children in schools. I have included some photos of Chestnut Class taking part in, and very much enjoying their sessions.

Safeguarding

Supporting your own and young people's emotional health and wellbeing is always important and the NHS have a very useful online site called Moodzone aimed at educating us on mental health worries and concerns and giving advice on where to get support.

Moodzone - Stress, Anxiety and Depression (forumhealthcentre.nhs.uk)

Moodzone includes tips on coping with stress, anxiety and depression and includes a useful section focussing on coping with exam stress, which could prove to be handy for some of our Year 6 pupils right now with SATS next week.

Help your child beat exam stress - NHS (www.nhs.uk)

If you are concerned about your child's wellbeing in any way, please do talk to a member of our safeguarding team or your child's teacher.

Superstars!

Eduard, Aline, Alicja, Tori,

Harrison, Bobby & Emilia

Dates for Diary

9th May	Cedar Class to Carymoor Education Centre
13th-16th May	Year 6 SATS week
24th May	Last day of Term 5
3rd June	INSET Day-school closed to children
4th June	Start of Term 6
3rd-5th July	Year 6 Braeside

UKHSA is encouraging people to 'be tick aware' this tick season.
Ticks can be active all year round, but they are most active in the months April to July.
As the warmer weather encourages more of us to be out and about enjoying the great outdoors, the UK Health Security Agency are encouraging we are 'tick aware'. This includes knowing where ticks are found, how to reduce the risk of being bitten and how to remove them safely and quickly as some tick bites can result in infections such as Lyme disease.

Attendance

159 children had 100% attendance in the last week, you are awesome!

Willow Class were the best at being in & on time every day last week.

Well done Willow Class!

6 Penalty Notice Applications have been made so far this academic year.
